The liquid gold is wasted away
What's not been sold is hunted like prey
I call it out for what it's worth
I made you hurt
I made you hurt

And I'm sorry and I'm sorry
I'm sorry I'm sorry

I'll hold my breath
I'll make it alright
I'll stand up strong and I will fight
It's not too late to see the light
I made you hurt I made you hurt

I am sorry...

It's not ok it's not alright
It's not enough what we're doing today
I'll stand up strong, n' make a change
It's not enough, it's not enough

You're holding on but bleeding to death
I'd give my heart and my last breath
I feel ashamed, I feel ashamed
But we'll make a change,
Make a change

I am sorry...

It's not ok it's not alright
It's not enough what we're doing today
I'll stand up strong, n' make a change
It's not enough, it's not enough

I am sorry...
