I am sorry for your trouble
I am sorry IÂ´m a mess
But you are not the first to picture
YouÂ´d like to see me in a white dress
A white dress

But IÂ´m not ready for this yet
No maybe IÂ´m not ready for this yet
But IÂ´m not ready for this yet
No maybe IÂ´m not ready for this yet

You seem to think that IÂ´m an angel
But I think IÂ´m from outer space
IÂ´m only searching for a hero
And I canÂ´t stand the human race
IÂ´m sorry

But youÂ´re not ready for me yet
No maybe youÂ´re not ready for me yet
But youÂ´re not ready for me yet
No maybe youÂ´re not ready for me yet

How long Â´fore this burning sensation is gone
How long this feeling's so right must be wrong
How strong must I speak til you leave me alone
I am weak but I want to be strong

I am sorry for your trouble
I am sorry IÂ´m a mess
But you are not the first to picture
YouÂ´d like to see me in a white dress
A white dress

But IÂ´m not ready for this yet
No maybe IÂ´m not ready for this yet
But IÂ´m not ready for this yet
No maybe IÂ´m not ready for this yet
