Come on friend we're on our way
Come on friend we're on our way

Fire rest in redemption sky
Whisper gently my oh my
Beauty breathe where forgiveness lies
All my sorrow pass me by

One we be in the maker's eye
Cross my heart and hope to die
Close my eyes and my angels cry
Hold my horse I'm scared to fly

Tide is coming my oh my
Tide is coming my oh my.
Isn't there enough to share

Sun will burn and rain will fall
Will we hear when angels call
Break it down to the very core
Got it still we're wanting more

Tide is coming my oh my
Tide is coming my oh my.
