I might comb my hair in different lines  
And I might wear some different clothes sometimes  
I might not always look the same as then  
But I'll still be singing the same old good songs again  
and again  
And I'd still be the girl you used to know  
Yes I'd still be the girl you used to know

I know it's hard I know it's been some time  
But if we tried I'm sure we'd work things out just  
fine  
A long time ago I know you loved me then  
And if you tried I'm sure you could love me once  
again

'Cause I'd still be the girl you used to know  
Yes I'd still be the girl you used to know

'Cause I'd still be the girl you used to know  
Yes I'd still be the girl you used to know

Yes I'd still be the girl you used to know  
Yes I'll always be the girl you used to know
