Say you want it ba-bad  
Say you need it ba-bad  
Then get up on it, yeah, yeah

Câ€™ est la vie, yeah  
You say lâ€™ m bourgeois, yeah-eh  
You wish for the finer things, boy  
You better work for what you want  
If itâ€™ s all about you, you, you  
Then lâ€™ ll be about me, me, me  
If aint never no us, us, us  
Weâ€™ ll never ever be, be, be  
No matter the time, time, time  
Keep lovinâ€™ the beat, beat, beat  
Donâ€™ t ever say no, no, no  
Only talkinâ€™ bout oui, oui, oui  
Yeah, yeah

I wanna see, yeah, yeah  
(What youâ€™ ll do to me, what you gon do to me)  
Everything your heart desires  
Once you prove to me, (prove to me,)  
Prove to me (prove to me)  
Prove to me (prove to me) yeah  
What you gon do to me, (do to me)  
What makes me, makes me want you bad, yeah

If you really want it  
Then say you want it ba-bad  
If you really MEAN it  
Then say you need it ba-bad  
If you really ON it  
Then get up on it, oh yeah  
Cuz I donâ€™ t even want it  
If you donâ€™ t want it Hella Ba-ba-ba-ba-bad  
Hella Bad  
I know you want it Hella Ba-ba-ba-ba-bad  
Hella Bad, Ba-ba-ba-ba-. . . bad

Speak your peace, yeah-eh  
Or say au revoir, yeah  
Make sure your intentionâ€™ s clear, or

Youâ€™ll get exactly what you want  
If itâ€™s all about you, you, you  
Then itâ€™ll be about me, me, me  
If aint never NO us, us, us  
Weâ€™ll never ever be, be, be  
No matter the time, time, time  
Keep lovinâ€™ the beat, beat, beat  
Donâ€™t ever say no, no, no  
Only talkinâ€™ about oui, oui, oui  
Yeah, yeah

Time only tells  
(What youâ€™ll do to me, what you gone do to me)  
Everything your heart desires  
Once you prove to me, (prove to me,)  
Prove to me (prove to me)  
Prove to me (prove to me) yeah  
What you gone do to me, (do to me)  
What makes me, makes me want you bad, yeah

If you really want it  
Then say you want it ba-bad  
If you really mean it  
Then say you need it ba-bad  
If you really ON it  
Then get up on it, oh yeah  
Cuz I donâ€™t even want it  
If you donâ€™t want it Hella Ba-ba-ba-ba-bad  
Hella Bad  
I know you want it Hella Ba-ba-ba-ba-bad  
Hella Bad, Bad to the bone

Bad, bad to the bone  
Bad, bad to the bone  
Bad
