I'ma share a love a man
But don't try to understand
Oh oh oh oh
Have you been your open door
But you don't try to keep anymore
Stand right there come across
Oh i need you for all i've lost
Oh oh oh

Chorus:
Holding hands in the dark
I'll hold my hands up in the dark
Holding hands in the dark
I'll hold my hands up in the dark

Tell you my thoughts in vain
Oh i've got nothing but complaints
Oh oh oh
Ever been just like a .
But you don't get a.much anymore
Oh oh oh

Chorus:
Holding hands in the dark
I'll hold my hands up in the dark
Holding hands in the dark
I'll hold my hands up in the dark

I've begun to conceive
Like other lady be for me
Oh oh ohh
Ever been been an open door
Do you walk through me once more
Stand right there you are my love
Never knew just how much
Oh oh oh

2 x Chorus:
Holding hands in the dark
I'll hold my hands up in the dark
Holding hands in the dark
I'll hold my hands up in the dark
