Big skies are always...
Over the road and sea
Forever over me
These girls are always smiling
At these late night events
Forever over me.
And whether I'm calling,
I'm always thinking of you
And when I'm.
It's who. my hand
Perfect me but always listening
To who it loves you most
Just like me
And hard and harder I try
Hard and harder I try
And whether I'm calling
And whether I'm calling,
I'm always thinking of you
And when I'm handed
It's who. my hand
Who are in my hand?
Baby can't you see that I am thrilled?
She's always watching, watching, watching you
I'm thrilled! Uhu
Baby can't you see that I am thrilled?
She's always watching, watching, watching you
Uhu!
Perfect, there's a girl, don't fight it!
Why don't you just .
You're not too good for it!
But hard and harder you try
Hard and harder you try
I'm thrilled! Uhu
Baby can't you see that I am thrilled?
She's always watching, watching, watching you
I'm thrilled! Uhu
Baby can't you see that I am thrilled?
She's always watching, watching, watching you
And whether I'm calling,
I'm always thinking of you
And when I'm handed
She's always watching you!
