When I feel like a drop in the ocean but there's no one
else at sea
And my bodies bent and broken, let the Lord shine a
light on me
Now the voices in the distance trying to sing my soul to
sleep
But I'm drifting in the silence, let the Lord shine a light
on me
Let the Lord shine a light on me

If I raise you up to the top of the mountain
Would you tell me what you see and I'm standing on
this island
Did the Lord shine a light on me? Did the Lord shine a
light on me?
Did the Lord shine a light on me? Did the Lord shine a
light on me?
