Rain like rain, rain like rain  
Rain like rain, I don't care for the sunshine  
I don't care for the sunshine, I don't care for the  
sunshine

If heaven helps you, help yourself  
I hope you never change  
Rebel, let them help themselves and wash the truth  
away  
Every man will follow them,  
So what else can you say?  
Won't you let my baby, won't you let my baby  
Let my baby's love come down like rain

...Like rain, rain like rain  
Rain like rain, I don't care for the sunshine  
I don't care for the sunshine, I don't care for the  
sunshine

For every man that will pass scorn on every passer-by  
There will be a star that's born to fill the empty sky  
You dress me down when you call me up, so don't call  
me alive  
If you won't let my baby, if you won't let my baby  
Let my baby's love come down like rain

Rain like rain, rain like rain  
Rain like rain, I don't care for the sunshine  
I don't care for the sunshine, I don't care for the  
sunshine  
I don't care for the sunshine
