Intro I g-g-got the money money I g-g-got the money money x 3

Vs 1

On the Westside, in a lo-ride, where the riff raffâ€™s goin on

Got my tunebox, gotta look hot, weâ€™re the dead youth walkin strong

In the street where we be meeting, ghetto blasting off the ground

And weâ€™re laughing at the hi-brow as they look us up n down

Pre coz we rock hard in the junkyard

And nothing matters as we jump around we jump around!

Chorus I g-g-got the money money, I g-g-got the money money

I g-g-got the money money, I g-g-got the money money

I g-g-got the money money I g-g-got the money money

I g-g-got the money money I g-g-got the money money

Verse 2

when we gatecrash, all the hi-class see weâ€™re burning dollar bills

Gotta hot song, got the fash on!, ghetto glammers dressed to kill

Dirty wreckless couldnâ€™t care less, weâ€™re machine gun monster trucks!

We can zone it coz we own it, and we couldnâ€™t give a ****

Pre coz we rock hard in the junkyard

And nothing matters as we jump around we jump around!

Chorus

Bridge Level 1, bounce, bounce, bounce!

NoizeBunny â€” youâ€™ve reached the next level!

move your junkyard up & down
Swing your partner round n round
Smash that box to get the coin!
Youâ€™ve gotta move that asteroid
Battery brain mode: switch it on
Magic mushroom extra strong
Aristocrat in the Laundromat
So cheap n ghetto where the moneyâ€™s at!
