They can't do it
they can't do it
they can't do it baby
the way i do it
They can't move me
They can't move me
it's OTR baby
all of them do it

pass me the lighter
so I can fire

we got a team damn
much I look-na
as squeeze seven damn
all em them talk now.

They can't do it
they can't do it
they can't do it baby
the way i do it.
They can't move me
They can't move me
it's OTR baby
all of them do it

pass me the lighter
so I can put at ring on fighter
Im like pass me lighter
so i can put at ring on fighter
