Baby, you knock me down
Like a fucking disease
Baby, you work it out
'Til I'm down on my knees

Baby, you keep me down
Though I'm begging you please
Baby and now I know
There's no fucking release

Dusk in my heart
Another day, another night
Another bullshit, another compromise

Dusk in my mind
Another war, another fight
Another bullshit another false advice

Dusk in my heart
Another day, another night
Another bullshit, another compromise

Dusk in my mind
Another war, another fight
Another bullshit another false advice

Burn my head now, honey
You're just another disease
Burn my head now, honey

Blow my brains out, honey
Just like another disease
Blow my brains out, honey

Baby, you burn me out
Like a fucking desire
Baby, you spin me round
And you set me on fire

Baby, I want you now
Though I know you're a liar
Baby, yeah so ban my heart

On a funeral pyre

Dusk in my heart
Another day, another night
Another bullshit, another compromise

Dusk in my mind
Another war, another fight
Another bullshit another false advice

Dusk in my heart
Another day, another night
Another bullshit, another compromise

Dusk in my mind
Another war, another fight
Another bullshit another false advice

Burn my head now, honey
You're just another disease
Burn my head now, honey

Blow my lights out, honey
Just like another disease
Blow my lights out, honey

Dusk in my heart
In my mind and my soul
Dusk in my heart
In my mind and my soul

Dusk in my heart
In my mind and my soul
Dusk in my heart, in soul

Burn my head now, honey
You're just another disease
Burn my head now, honey

Blow my brains out, honey
Just like another disease
Blow my brains out, honey

Burn my head now, honey
You're just a fucking disease
Burn my head now, honey

Blow my lights out, honey
Just a fucking disease
Blow my lights out, honey
