This is the right time to say  
Hello, my name is Cancer  
I'll never go, I'm gonna hurt you  
I am the thorn that makes you wish you were never  
born

Don't try so hard denying me  
You better start accepting me  
Don't fall apart, believe in me  
Open your heart, give in to me, baby

Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?

I'll turn your head in a fucking hole  
I'll rip your mind out, I'll burn your soul  
I am the anguish inside your brain  
I'll fill you up with eternal pain

Don't try so hard denying me  
You better start accepting me  
Don't fall apart, believe in me  
Open your heart, give in to me, baby

Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?

Don't try so hard denying me  
You better start accepting me  
Don't fall apart, believe in me  
Open your heart, give in to me, baby

Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?

Say, can you feel me?

Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?

Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?  
Say, can you feel me?
