Europe

(Europe)

Wake up!

(Wake up!)

Can't you see your
children lined up?
On the edge of the
abyss they wait.

Europe

(Europe)

F**ked up

(F**ked up)

Scared to go to sleep,
they stay up.
Prisoners of fate

La-Le-Lu

Someones got their
eye on you.
Now the poorest kids
are sleeping.
You should sleep to.

La-Le-Lu

And the little hearts
freeze through.
When the other
kids are calling,
You're worthless too.

Sandman! Sandman!
Please put out the lights.
The truth is a big scam,
So let me dream tonight.

Sandman! Sandman!
Stand here by my side.
Sprinkle stardust into my eyes
And let me sleep 'till i die.

Europe
(Europe)
Wake up!
(Wake up!)
Can't you see your
children hate us?
Slowly, surely they
are damned to fail.

Europe
(Europe)
Pumped up
(Pumped up)
Like a big casino
gone bust.
Everyone's "for sale"!

La-Le-Lu
Someones got their
eye on you.
Now the poorest kids
are sleeping.
You should sleep to.

La-Le-Lu
And the little hearts
freeze through.
When the other
kids are calling,
You're worthless too.

Sandman! Sandman!
Please put out the lights.
The truth is a big scam,
So let me dream tonight.

Sandman! Sandman!
Stand here by my side.
Sprinkle stardust into my eyes
And let me sleep 'till i die.

"Let them eat cake!"
Someonen said,
But all the children
want is bread.
Screaming their lungs out every night,
the hunger burning deep inside!

"Let them eat cake!"
Someonen said,
Until the day she lost her head.
Let me show you prosperity,
Where children long
for what they need!

Sandman! Sandman!
Please put out the lights.
The truth is a big scam,
So let me dream tonight.

Sandman! Sandman!
Stand here by my side.
Sprinkle stardust into my eyes
And let me sleep 'till i die.
