Bad milk comes in your mouth
Bad milk burns on your tongue, makes you afraid
Bad milk runs in your gorge
Bad milk, now you are here, now it's too late

Suck - taste - spit
Welcome to life
Taste - spit
Welcome to life
Taste - spit
Welcome to suck - taste - spit

Bad words crash in your ears
Bad words, down in the womb, you couldn't hide
Bad words smashing your soul
Bad words, could you get back, back to the night?

Suck - taste - spit
Welcome to life
Taste - spit
Welcome to life
Taste - spit

Bad flood flushing your veins
Bad blood, up to your head, down to your heart
Bad blood crushing your dreams
Bad blood eats you all up, tears you apart

Suck - taste - spit
Welcome to life
Taste - spit
Welcome to life
Taste - spit
Welcome to suck - taste - spit

You should be thankful, you should be thankful
Taste
You should be thankful, you should be thankful
Spit
Welcome to life

You should be thankful, you should be thankful
Taste
You should be thankful, you should be thankful
Spit
Welcome to life

You should be thankful, you should be thankful
Taste
You should be thankful, you should be thankful
Spit
