So don't you rescue me
I'm locked in the black of my mind
Help me please
So don't get stuck on me
My fuck up is keepin' me blind
Save me please

Tossin' and turnin'
You know 'bout this yearnin'
This feeling
You've locked deep inside

So swallow your frown
My love
And follow me down
My love

So swallow your frown
My love
And follow me down
My love

So don't you rescue me
I still feel the thorn in my side
Help me please
So don't you set me free
No chance for a turn of the tide
Save me please

Tossin' and turnin'
You know 'bout this yearnin'
This feeling
You've locked deep inside

So swallow your frown
My love
And follow me down
My love

So swallow your frown
My love
And follow me down

My love

Tossin' and turnin'
You know 'bout this burnin'
This fever
You cannot denied

So swallow your frown
My love
And follow me down
Down

So swallow your frown
My love
And follow me down
Down

So swallow your frown
My love
And follow me down
My love

So swallow your frown
My love
And follow me down
My love

Follow me down
Follow me down
Down
