Feels like fire,
I'm so in love with you...

Dreams are like angels,
They keep bad at bay -- bad at bay.
Love is the light
Scaring darkness away -- yeah...

I'm so in love with you,
Purge the soul!
Make love your goal...

The power of love,
A force from above
Cleaning my soul.
Flame on burning desire,
Love with tongues of fire
Purge the soul.
Make love your goal...

I'll protect you from the hooded clowns,
Keep the vampires from your door...
When the chips are down I'll be around
With my undying, death-defying
Love for you.

Envy will hurt itself,
Let yourself be beautiful,
Sparkling love, flowers,
And pearls and pretty girls...
Love is like an energy
Rushin' rushin' inside of me -- yeah.

The power of love,
A force from above
Cleaning my soul.

Flame on burn desire,
Love with tongues of fire
Purge the soul.
Make love your goal...

This time we go sublime,
Lovers entwine -- divine, divine.
Love is danger, love is pleasure,
Love is pure -- the only treasure.

I'm so in love with you,
Purge the soul,
Make love your goal...

The power of love,
A force from above
Cleaning my soul.
The power of love,
A force from above,
A sky-scraping dove...
Flame on burn desire,
Love with tongues of fire
Purge the soul.
Make love your goal...

I'll protect you from the hooded claw,
Keep the vampires from your door...
