supernatural cut out your adams apple
let your head dangle throw it back at you
Velociraptor ona rapture black adder
no bladder
dark matter go spit n splatter
bad habit invade like body snatchers
with hatchet to hack quick at ya gran kids
so my records dont sell
im a cool j but im not L L
send me hate mail dyke bitches hate males
if satan fails self medicate myself
to save the pain i felt
the state of hell
warm and well
but im back out the cell

But im back out the cell
my mind is a prison so i guess im in jail
and rap is my bail
my mind is a prison so i guess im in jail

But im back out the cell
my mind is a prison so i guess im in jail
and rap is my bail
my mind is a prison so i guess im in jail
