i've told u once now i told u twice
you are so awesome .you are so nice .
i've told you once now i told you twice
you are so awesome you are so nice.
jab tujhko dekha
toh dil yeh behka
jab tujhko dekha
toh dil yeh bahka, now i'm just keep on saying.....

i've told u once now i told u twice
you are so awesome .you are so nice .

oh my first love,
i want say this listen once .
you'r gonna be mine.....
jab tujhko dekha
toh dil yeh behka
jab tujhko dekha
toh dil yeh bahka, now i'm just keep on saying.....

ab hoon me night
tu mere khwabo ki moonlight,
ab jaan me hoon .
jab tujhko dekha
toh dil yeh behka
jab tujhko dekha
toh dil yeh bahka, now i'm just keep on saying.....

i've told u once now i told u twice
you are so awesome .you are so nice .
i've told you once now i told you twice
you are so awesome you are so nice.
