[Chorus]

Can you jam with all the freaks tonight?
Can you jam? Just rock your body right,
Can you jam? Cos I just got to know,
Can you jam? Can you jam?

Jam! *[X2]*

If you wanna party, Here comes the funk,
Five's got da flava, So just give it up,
I can keep it coming, If you got time,
I can keep it swinging, But you gotta make up your
mind!

If you're a freak, If you got the vibe, If you wanna rock
tonight!

[Chorus]

Baby gotta check it the funk that I got now,
Make you wanna drop when I hit the right spot now,
Put 'em all up, Throw your hands in the air,
You know you wanna get down, So move it over there!
Level with whack drop phatness on a track,
So gotta move your body if you wanna party,
Gotta get raw the rugged beats that we slam,
Baby, Baby, Baby, Now I know you can jam!
If I'm getting freaky, It's cos you look fine,
And baby if you wanna, We can spend some time,
I can dig deeper, Down to the bone,
I can sing a sweet love, But girl I've got to know!

[Bridge and Chorus]

Ah, Rewind, Rewind, Got the funk for your mind,
Now there's no contest, Because we're one of a kind,
Keep kicking the fab flows cos we gotta, Try to make
you hotter,
Make you move a lotta, Five! Live in your town,
You gots to boogie down, Let your legs snap,
Gotta move it all around, Make you move feets,
Gotta clear seats, You need beats, Cos it's a night for

the freaks,
When wanna keep bringing flows that you feeling,
Make you wanna jump up to the ceiling,
Kick back, You gotta let your head bump,
We'll take you on a ride with the rugged raw funk now.

Jam! [X2]

[Chorus Until Fade]
