Girl you're kinda freaky  
got something bout your smile  
and when you bounce it up and down  
I can't believe my eyes I got to give respect  
cos you know how to tease  
keep on walking I'll keep talkin'  
you would not believe what I would do

*[Bridge:]*

With a girl like you  
keep your body rockin'  
I ain't gonna stop I just want you  
and you know it's shockin' when you rock it  
I'm a sick sick man cos

*[Chorus:]*

Girl I get dat cold sweat  
creepin' up on me  
I ache when you shake it  
Girl I'm just a freak

Yeah, you set dat cold sweat  
trippin' on me  
Burnin' with the fever  
Girl, you're killing me

Girl I'm just a freak in need of therapy  
I count the ounce in every bounce

And I just want to feast  
I love the way you work it

I love the way you grind  
Ya got da funk in every pump If you could read my  
mind  
What I would do....

*[Bridge]*

*[Chorus]*

Down, you're burnin' me down

You're burnin' me down  
You're burnin' me down  
I love the way you shake now love the way you break  
now keep it comin' baby I don't wanna hesitate now

You got me hooked every look makes me freeze  
180 degrees you make me buckle at my knees  
crazy rumpshaker, sexy move maker baby bring it  
on better sooner than later I feel a cold sweat creepin'  
up on me we gotta get it on tell me what it's gonna be

*[Bridge]*

*[Chorus]*
