Going round in circles baby,
Trying to think how I'm gonna get with you,
I think about you all of the time,
And you know that you're blowing my mind,
I'm going crazy baby, Tell me just what I'm supposed to
do,
You got me going crazy,
I don't know what to do girl, You're rocking my world.

If you held me tonight, It would make things alright,
Could you love me? If I held you tonight,
I would make things alright,
Could you trust me? Cause I'm telling you baby.

I won't be satisfied, 'til you're here with me tonight,
I won't be satisfied, 'til I hold you in my arms,
You know you mesmerise, When I look into your eyes,
I won't be satisfied, 'til you're here with me tonight.

I'm not the kind of guy to fall in love,
But baby I've fallen for you,
I've fallen like an angel for real it's the way,
That you're making me feel, Walking the streets all
alone,
Thinking how much I'm gonna be true to you.

I can't wait till I hold you in my arms baby tonight,
I can't wait until I look into your eyes,
I know that your loving is the best, Tell me baby that it's
for real,
I want to hold you close in my arms,
You know you're everything that I need.
