Reminisce girl on the way that it was,  
Everything that I had was yours,  
Give me kiss girl like you used to do  
I'm gonna take my time with you  
Make it feel like what you felt before,  
Now you're back 'cause you want some more  
I can't help but feel the way I do  
and girl I got this to say to you

*[BRIDGE]*

They're runnin' around my mind got thoughts of you  
and me all the time  
Well baby you've got to let me know what I gotta do,  
'Cause if you'd only tell me,  
Maybe you could help me,  
Try to understand how to get with you

*[CHORUS]*

All the boys on the right give it up this time,  
All the girls on the left give it up this time,  
'Cause all the boys on the right want to check you out  
and all the girls on the left wanna show you how.

Now it's on girl, got the best of you,  
Now I wanna take the rest of you,

I don't want to take it slow with you  
I wanna rock with you I wanna roll,  
If you want girl we can take a ride  
I'll be fine with you by my side,  
I can't help but feel the way I do,  
So I've got this to say to you

*[BRIDGE]*

*[CHORUS]*

Give me kisses, lay it on, rock it to the break of dawn,  
I can do it nice and soft and give you everything you  
want,  
'Cause what you need's what I got don't forget it  
Baby I'm a-waiting right here come and get it

Kissin' necks, I'll perplex, any way you want ta flex  
We should get together just to check out if our love  
connects,  
Tell me now are you feelin' how I'm feelin'  
I got a freaky feelin' deep inside this could be real and  
check it out.

*[BRIDGE (2nd half)]*

*[CHORUS x2]*

There's something in the air to end
