Rock the set, straight up the concept cause we be
going down,
diggy diggy down

[Bridge:]

I know that you want something from me (yeah)
Well I've got something I know you need
From the east to the west everybody get up now
(Get on up, Get on up)
Cos this here's a party and we gotta get on down
(Break it down, Break it down)

[Chorus]

Ah yes you'll check me out rugged and raw
It's all I can stand and I can't stand no more

so step back relax the wax is boom diggy
watch the boys breaking it down city to city

[Bridge]

Everybody's got to feel the heat slide on over here
cos it's a party (Slide on over) from the east to the west
everybody get up now (Get on up, Get on up)

Cos this here's a party and you gotta get on down
(Break it down, Break it down)

[Chorus]

It's over just like a wack track you can't get with this
so you gotta get with that no doubt in my mind
the base so phatt baby let me bring it on wiggly wack
