You gotta stop, listen up
Checking out my beats
Know the day uniques
Got ya jumping out ya seats, ah
Never bring the same flow upon a track
Better watch your back
When I bring the switch attack, now
People wanna nod, now they go and go
The funk thing that I bring
Make your head wanna ring
Here we come, you know we bring it raw
Get up on the floor 'cos
You gotta get some more
Friday night, party's just around the corner
She'll be there, so I just can't be late
Gotta get my groove thing on
'Cos I'll be dancing all night long
Send me to a place where I can have some fun
[Birdge:]
Once I get up on the floor
See me coming back for more

See me rockin' all my moves

Everybody's watching me

Switch

(music) [x4]

9 o'clock, finally my groove is swinging

Things are fine, now I guess it's time to rock

(Guess it's time to rock)

Now the party's on the way

Found out I gotta stay

People start to gather round

And round, and round, and round

[Bridge x2]
