Now and forever  
Until time is through

I can't believe it  
I don't know were to start, no baby  
So many questions deep inside my heart

Give me a moment before you go  
There's something you ought to know

Baby now and forever  
Until the time is through(until The Time Is Through) I'll  
be standing here  
Waiting and never give up my faith in you  
Trying to make it clear  
Without your love I'd be half a man  
Maybe one day you'll understand  
Now and forever  
Until the time is through

I'll be waiting

Now can I tell you, so that you can see  
love has a meaning when you are here with me

Give me a moment before you go  
There's something you ought to know

Baby now and forever  
Until the time is through(until The Time Is Through) I'll  
be standing here  
Waiting and never give up my faith in you  
Trying to make it clear  
Without your love I'd be half a man  
Maybe one day you'll understand  
Now and forever  
Until the time is through

There is no one to comfort me  
Here in my cold reality  
I'm searching for words  
What can I say to make you feel

(Baby now until time is through, I'll be here)

Baby now and forever  
Until the time is through  
Waiting and never give up my faith in you

Baby now and forever  
Until the time is through(until The Time Is Through) I'll  
be standing here  
Waiting and never give up my faith in you  
Trying to make it clear  
Without your love I'd be half a man  
Maybe one day you'll understand  
Now and forever  
I will be here for you

Until the time is through.....
