Iâ€™ve been trying to ease my mind
From this life that I have been thrown into
I no longer know who to trust
They keep hurting me no matter what I do
Itâ€™s a big world out there
And sometimes it can swallow you up
But never give up yeah

[CHORUS]

Iâ€™ve been tryin' to find a friend in this crazy world
And the more that I try to find a friend in this crazy
world
Iâ€™ll sail the seven seas
I would climb a mountain high

To get you in this world of mine

Iâ€™ve been dying to meet someone
Just to share all the things other people do
Just a laugh or a cry
Just a simple goodbye
I will see you soon, would do

I promise you I wonâ€™t let you down
Come to me
I will make you see yeah

[CHORUS]

To get you in this world of mine

Iâ€™ve been searching for someone to care
Someone whoâ€™ll always be there

[CHORUS]

To get you in this world of mine

Iâ€™ve been tryin' (Iâ€™m tryin') to find (Iâ€™m dying) a
friend
(Iâ€™m fighting) in this crazy world (Iâ€™m fighting for
you)

And the more that (Iâ€™m tryin') I try (Iâ€™m dying) to find
A friend (Iâ€™m fighting) in this crazy world (Iâ€™m
fighting for you)

Iâ€™ll sail the seven seas
I would climb a mountain high

To get you in this world of mine
