La la la la la

If I had my way
You would still be stuck on me
But when I rock myself
to sleep I dream of you again

La la la la la

You know you tore my heart
You did just what I always thought

La la la la la

Somewhere you're fast asleep
I hope you're terrified
One long nightmare
Cuz you tore my heart

I still feel your skin
Soft as velvet, thick as sin
Whisper tender, shiver deep
You got me good, no good for me

La la la la la

Somewhere you're fast asleep
I hope you're terrified
One long nightmare
Cuz you tore my heart
