What you're waiting for
What you're waiting waiting for
It's time to find a new dimension
Are you looking for
Are you looking looking for

A new love, a revolution

Mon Coeur est en rÃ©volution
Like a revolution
Mon Coeur est en rÃ©volution
RÃ©volution

A revolution
Oh oh oh oh
Mon cÅ“ur est en rÃ©volution

What you're waiting for
What you're waiting waiting for

Are you looking for
Are you looking looking for
Mon Coeur est en rÃ©volution

What you what you what
Trop de temps passer sans toi
Je n'ai vraiment plus le choix
Tellement envie d'Ã©vasion
Mon cÅ“ur est en revolution

What you're waiting for
What you're waiting waiting for
It's time to find a new dimension
Are you looking for
A new love, a revolution

Oh oh oh oh

Mon Coeur est en revolution
What you what you what
A new love a revolution

Trop de temps passé sans toi
Je n'ai vraiment plus le choix
Tellement envie d'évasion
Mon cœur est en révolution

Révolution
A revolution
Mon cœur est en révolution

What you're waiting for
What you're waiting waiting for
Are you looking for
Mon cœur est en révolution
