Whatever you want whatever you need.
You can call me everywhere.

Je serai là

Is that what you want ? You can count on me.
That's what I call a friend

Je serai là .
Je serai là .
Je serai là .
Je serai là .

C'est de plus en plus fort
Encore et encore.
C'est de plus en plus fort
Encore et encore.

Whatever you want whatever you need.
You can call me everywhere.
Is that what you want ? You can count on me.
That's what I call a friend

Dans la chambre ton corps, quand tu râclames
encore.
Dans la chambre ton corps, quand tu râclames
encore.
Encore, encore et encore

Whatever you want whatever you need.
You can call me everywhere
Is that what you want ? You can count on me, on me.

Whatever you want whatever you need.
You can call me everywhere
Is that what you want ? You can count on me, on me.

C'est de plus en plus fort encore et encore.
C'est de plus en plus fort encore et encore.

Encore.

Encore.

True love about the sex.
Whatever you like all I can give.
You never call me. No oh !

C'est de plus en plus fort encore et encore.
C'est de plus en plus fort encore et encore.
Encore et encore.
Encore et encore.
