[Gilles]

You don't need to think about it,
my only love I promise you too.
Don't need to check it out, trust me,
I swear I can't live without you.
Oh oh oh.

[Oriska]

Accro Ã tes sens, je frise l'effervescence
Je suis dans un brouillard, est-ce trop tÃ´t ou trop tard ?
Plus envie de souffrir, plus envie de mentir
Toi seul me trouveras, je suis... Perdue sans toi

[Gilles]

Don't need to think about it (Perdue sans toi)
My only love I promise you too (Je suis perdue sans toi)
Don't need to check it out (Perdue sans toi)
Trust me, I swear I can't live without you

[Oriska]

Je suis perdue sans toi

[Gilles]

Don't need to think about it (Perdue sans toi)
My only love I promise you too (Je suis perdue sans toi)
Don't need to check it out (Perdue sans toi)
Trust me, I swear I can't live without you, oh oh oh.

[Oriska]

Ta bouche sur ma peau, j'en deviens vraiment accro
Tes mains sur mon corps m'obligent Ã te dire "Encore"
J'ai envie de te dire "Je t'aime Ã en mourir"
Je ne trouve plus les mots, chÃ©ri,
I love you so, chÃ©ri, I love you so.

[Gilles]

Trust me, I swear I can't leave without you
Don't need to think about it (Perdue sans toi)
My only love I promise you too (Je suis perdue sans toi)
Don't need to check it out (Perdue sans toi)
Trust me, I swear I can't leave without you
Don't need to think about it (Perdue sans toi)
My only love I promise you too (Je suis perdue sans toi)
Don't need to check it out (Perdue sans toi)
Trust me, I swear I can't live without you

[Oriska]

Ta bouche sur ma peau, j'en deviens vraiment accro
Tes mains sur mon corps m'obligent Ã te dire "Encore"
J'ai envie de te dire "Je t'aime Ã en mourir"
Je ne trouve plus les mots, chÃ©ri,
I love you so...
