Verse 1

my finger tips bare skin,
my emotions begin,
your blood runs thin,
i roll back your eyes,
you watched,
you died,
your last words an unsung verse.

Chorus

you may think im blind,
still saw through your lies,
id turn back time,
the sweet taste of blood,
on your lips,
this is our last kiss,

Verse 2

my finger tips bare skin,
my emotions begin,
your blood runs thin,
you roll back your eyes,
i watched,
you died,
your last words an unsung verse,

Chorus

you may think im blind,
still saw through your lies,
id turn back time,
the sweet taste of blood,
on your lips,
this is our last kiss,

breakdown

repeat Chorus
