### Breakdown

my  
heart  
just died

### V1

when the moons desolate rays hit my skin,  
i see myself for the last time again,  
and then it begins to dawn on me im not myself,  
for its my disguise bury my lies deep inside,  
blood shot and hungry,  
i hide my fatal desires

### Chorus

with your last kiss il say goodbye,  
with your last kiss my heart just died

X4

### V2

half of heavens fallen army stripped of there wings,  
and the death keeper scatters bodies desocrated as  
hell begins to thrive,  
just then i felt alive,  
but when you breathed my heart just died

(repeat chorus)

(repeat breakdown)

### Bridge

with your last kiss i died

(repeat chorus)
