You didn't tell me why you came alone
you didn't say why your heart was like a disappearing
stone
you didn't love you didn't you didn't remember all you
wanted was to surrender
the times we spent together I was alone

In my mind you feel
In my mind you see

When I come out to the rainbow light
I erase everything that's bright
tell you girl I don't want to fight
Show yourself in the rainbow light

this time will never come again
so there's no reason to keep on pretend
you never say that you want to come back to me
all the matters is the life in our memory
i realize that you were not my destiny

In my mind you feel
In my mind you see

When I come out to the rainbow light
I erase everything that's bright
tell you girl I don't want to fight
Show yourself in the rainbow light

When I come out to the rainbow light
I erase everything that's bright
tell you girl I don't want to fight
Show yourself in the rainbow light
