Saw her  
A girl kissing girls  
What a shock  
Said "she must be an artist"  
She muttered her reply  
I was judging her friend  
As the dj played a dead jam  
No one wants to dance  
They're outside  
Smoking ciggarettes  
Milky was there  
Yes, he gave me the eye  
Saying "it doesn't kill to try"  
Then blue lights all around

Eva, i'm sorry  
But you will never have me  
To me, you're just some faggy girl  
And i need a lover with soul power  
You ain't got no soul power  
...2x

You ain't got no soul power  
No, you ain't got no  
So-o-o-o-o-o-o-oul

She led me outside  
To the church with the swing  
There i was, her confessor  
Her come-on made me blush  
Was a crush for the night  
Til i screamed "stop!"  
Hey,  
You must be aware i'm not alone  
I've got a tigeress back at home,  
And besides  
You wouldn't know what to do with me,

Eva, i'm sorry  
But you will never have me  
To me you're just some faggy girl

And i need a lover with soul power  
And you ain't got no soul power  
...2x  
You ain't got no soul power  
No, you ain't got no soul power  
No, you ain't got no soul power  
No, you ain't got no soul power  
Said, you ain't got no soul power  
No, you ain't got no so-o-o-o-o-oul
