All day long, I felt like  
Smashing my face through a clear glass window  
But instead, I went out  
And smashed up the phone booth round' the corner

I never had a chance to, she's my own parent  
I never knew why she was stuck with I  
Mommy's always tryin' not to eat  
And Daddy's always smellin' like he's drinkin booze

I never had a chance to she's my own name  
I never knew why she was stuck with I  
Mommy's always talkin' bout' family pride  
And Daddy's always hidin' from his weekend ride

All day long, I felt like  
Smashing my neck through a clear glass window  
But instead, I went out  
And smashed up the station wagon round' the corner

I looked in the mirror and told myself  
Mommy's like a pimpstar in a ditorted mirror  
And Daddy's like a guy who lost his stomach in the war

I went to shake hands with the president in Miami  
I went to the rock show to see McJagger  
You'd never believe it, it's the prize of my life  
They have paint on there faces just like my Mommy

Am I going crazy or is just you Daddy  
Am I going nuts or is it just you Mommy  
Am I plain gone or is just the world  
Daddy I'd rather have you dead then crazy

Trying to talk to them is like  
Taking them to dinner when your angry  
Trying to get their love is like  
Why should eat when your hungry  
They gave me a watch that's guranteed not to break  
But my Mommy and Daddy broke up last fall

Am I going crazy or is just you Daddy  
Am I going nuts or is just you Mommy  
Am I plain gone or is it just the world  
Mommy I'd rather have you dead then crazy

All day long, I felt like  
Smashing my head through a clear glass window  
But instead, I went out A  
And smashed up the church round' the corner
