

Of Monsters And Men "Lakehouse"

Oh I miss the comfort of this house
Where we are, where we are
Where we are, where we are
The floor under our feet whispers out
Com on in, come on in
Where it all begins
Can you chase the fire away
Can you chase the fire away
We climbed up to the top in worn out shoes
But she ran down she ran down
She ran down to the house
A fox that gains our trust but breaks then it as he walks
Away from us, away from us
Can you chase the fire away
Can you chase the fire away
In the fall we sleep all day
In the fall we sleep all day
(Where we are) We sleep all day (Where we are)
(Where we are) We sleep all day (Where we are)
(Where we are) We sleep all day (Where we are)
Can you chase the fire away
Can you chase the fire away
In the fall we sleep all day
In the fall we sleep all day
Lalalalalalaaa lala lala lala lalaaah (Repeat 8 times)
