Cold, dark sea  
Wrapping it's arms around me  
Pulling me down to the deep  
All eyes on me  
I push you away  
Although I wish you could stay  
So many words left unsaid  
But I'm all out of breath

So go, go, go  
Get out of here  
Go away  
Get out of here  
Go,go  
Get out of here  
Go away  
Get out of here  
Go,go  
Get out of here  
Go away  
Get out of here  
Go, go  
Get out of here  
Go away

Cold, dark sea  
Your waves are rocking me  
I close my eyes and fall asleep  
All eyes on me  
Your eyes on me
