Slow, slow me down
Her blood on my bones
Let go, lay to rest
We fall, we fall, we fall
We fall to the ground
Sleep, sleep all night
While the young, they wait alone
Get up, shake the rust
We crawl, we crawl, we crawl
We crawl on the ground
Alone, I fight these animals
Alone, until I get home
A wolf, wolf and I
We share the same cold meal
I float, float on down
We ride, we ride, we ride
We ride it all out
Alone, I fight these animals
Alone, until I get home
Coming back, I'm coming back
Coming back, I'm coming back
She follows me into the woods
Takes me home
