Let's have bizarre celebrations
Let's forget who forget what forget where
We'll have bizarre celebrations
I'll play the Satyr in Cypris you the bride being stripped
bare
Let's pretend we don't exist
Let's pretend we're in Antartica
Let's have bizarre celebrations
Lets forget when forget what forget how
We'll have bizarre celebrations
We'll play Tristan and Izolde but make sure I see white
sails
Maybe I'll never die
I'll just keep growing younger with you
And you'll grow younger too
now it seems too lovely to be true
but I know the best things always do
let's pretend we don't exist
let's pretend we're in Antartica
