I find myself with all the reasons,
I wanted to show.
Everything that I believe in,
I want you to know.
Happily ever after, is more than enough.
We made it through the tears and laughter.
We found it with love " believe in " in love.

(CHORUS)

I don't wanna live without you near,
I don't want to cry without your tears.
I just want to be with you,
In the golden years.

Now tell me do you feel the same thing,
And will you be there?
Tell me do you feel the change,
The love in the air, the love that we share.

(REPEAT CHORUS)

And when we're all alone and waiting,
Even the darkness disappears.
Now that we know love's forever,
There's nothing to say.
Knowing that we'll be together,
We found our way.

(REPEAT CHORUS)

I don't wanna live,
I don't wanna cry,
I just wanna be with you in the golden years.
