If we leave behind all the pain we know,
I'm sure we'd find.
Something deep inside,
Look ahead you'll see,
It's all in time.
I can feel your love,
Do you feel me?
All I'm dreaming of I believe in.

(CHORUS)

Can you take me there forever?
I've been waiting for the longest time.
Something we could share together,
Oh baby can you take me there?

If we still believe in the hands of fate,
Fate and destiny.
Very soon you'll see oh the power of love,
Is meant to be.

I can feel your love,
Do you feel me?
We can rise above, oh believe it.

(REPEAT CHORUS & FADE)

Found love along the way,
Now I know you'll be there someday.
I can feel your love,
Do you feel me?
We can rise above, oh believe it.

(REPEAT CHORUS)
