I need to stay focused.  
I need to believe in myself again.  
I need to get it all out.  
I feel so alive...  
I feel so alive...  
And only want some to get my things together  
and I only want to hold it down,  
And I will.  
I'm so alive now...  
And I'm home again.  
Will they have faith in us?  
They'll know when it feels right.  
It's just you and me  
Lets leave this all behind  
and I only want to get my things together.  
And I want to hold it down,  
And I will.  
I feel ok...  
I feel alright now  
I feel ok with what's inside.  
In these times of doubt.  
I know this is what it's all about.  
So now...  
The futures unknown.  
Man,  
I can't do this alone.  
If this is the end... then here we go again
