LYRICS:

Flashes of Hope by O.H da Soul-Jah featuring Kobby Dope

Intro: [O.H]

Yea, it's O.H,
Flashes of hope
Kobby Dope
I'm going in..

Verse 1: [O.H]

Hope you thought I never got a vision [guess]
But I've a mission, a big mission [yes]
Its O.H o'clock, this is my time
Not a wall clock, ticking tick tock
Check my G-shock, check my jeans top
Menh I look soo fly I rise to the damn top
You loving my style, that's me for you
Hold on to ma swag, i just throw it at you
And I know you can't hold it and I know you
can't touch it
Just feel it
I mean you loving it
Its O.H and Kobby Dope
Sniff our punch lines like you're sniffing coke
Don't get twisted
Sergio on the beat
I'm going H.A.M on it cos I'm really on heat.
I always see flashes of hope
Taking captures of growth
With patches of dope
We always got the Midas touches of gold.
[Say what]

Chorus:[Denasty]

I swear to God we saw way flashes of gold
They digging us like diamond gold
When souls are sick, music is the cure
We're soo blessed and that's for sure
Aaye yoo, aaye yoo, aaye yoo aaye yo- oo
Aaye yoo, aaye yoo aaye yo - o - oo
Flashes of hope!

Verse 2: [Kobby Dope]

[Yea, Kobby Dope, O.H, Sergio is on the beatâ€¦!â€¦.]
Me, Iâ€™™ ve got bars [buzz], they call me young bee
So when I leave I leave with honey so sweet
Man Iâ€™™ m off the chain, wanna know what i mean
Watch plies performing on 2010 BET
You no dey feel me? Check your heart beat
Check your kidneys; check your lungs check your teeth
Wanna bite me, thatâ€™™ s dangerous G
I give you spots on your teeth, I give you leopard teeth
Iâ€™™ m the king so give me my crown dudes
Or else Iâ€™™ ll start flowing and its gon drown you
And its gon brown you cos itâ€™™ s too hot
Canâ€™™ t stand the heat, get out full stop
All i do is killing, and chicks, I know they feeling,
I sit on top of the ceiling,
Iâ€™™ m high as f**k Iâ€™™ m an alien I just walk inside
the building
N***s gon be shivering
Their drinks they gon be spilling
B***h do you know who you dealing with
You know the boy is ill, [Iâ€™™ m sick]
Iâ€™™ m gon need 20 pills, thatâ€™™ s it
And a glass of water,
You know the boy is a bother
I see flashes of hope,
Its taking captures of growth and patches of dope
We got the Midas touches of gold
[arh]

Chorus:[Denasty]

I swear to God we saw way flashes of gold
They digging us like diamond gold
When souls are sick, music is the cure
Weâ€™™ re soo blessed and thatâ€™™ s for sure
Aaye yoo, aaye yoo, aaye yoo aaye yo- oo
Aaye yoo, aaye yoo aaye yo - o - oo
Flashes of hope!

Outro:[O.H]

Really on heat baby!
Flashes of hope
They digging us like gold
Itâ€™™ s like that
Its O.H and Kobby Dope
Weâ€™™ re making history

Chorus:[Denasty]

I swear to God we saw way flashes of gold
They digging us like diamond gold

When souls are sick, music is the cure
Weâ€™re soo blessed and thatâ€™s for sure
Aaye yoo, aaye yoo, aaye yoo aaye yo- oo
Aaye yoo, aaye yoo aaye yo - o - oo
Flashes of hope!
