Oh My!
Let's go

[Verse 1]
You've blagged your way to me
But where's your backstage pass?
You don't know what you're doing
Going way too fast

I might call your mama
Ask her where's your class?
Keeping up with me
Didn't stand a chance

[Chorus]
Been there, done that, got the t-shirt
(Twelve rounds and we've still got stamina)
Been there, done that, ripped my t-shirt
(Shot it all on a brand new camera)
Been there, done that, lost my t-shirt
(Turned nasty, Tommy and Pamela)
Didn't read the label
Nah, nah, nah nah nah

They come for me and I'll be kicking and screaming
Cos the last thing on my mind is I'm leaving
Right now my head feels like I'm sat on the ceiling
And we'll be kicking and screaming
I mean it, I mean it, I mean it
I mean it, I mean it, I mean it
I mean it, I mean it

[Verse 2]
I'm known around these parts
For going way too far
I'm kind of like a scratch
Upon your brand new car

Enjoy a night with me
You'll have a fair few scars
I think it's time you said
A few hallelujahs

[Chorus]

Been there, done that, got the t-shirt
(Twelve rounds and we've still got stamina)
Been there, done that, ripped my t-shirt
(Shot it all on a brand new camera)
Been there, done that, lost my t-shirt
(Turned nasty, Tommy and Pamela)
Didn't read the label
Nah, nah, nah nah nah

They come for me and I'll be kicking and screaming
Cos the last thing on my mind is I'm leaving
Right now my head feels like I'm sat on the ceiling
And we'll be kicking and screaming
I mean it, I mean it, I mean it

[Bridge]

We'll never throw in the towel
You'll never take us alive
Take a look at me now
I bet your mother would cry

We'll never throw in the towel
You'll never take us alive
Take a look at me now
I bet your mother would cry
Cry, cry, cry, cry, cry, cry

I bet your mother would cry
Cry, cry, cry, cry, cry, wooh

[Chorus]

They come for me and I'll be kicking and screaming
Cos the last thing on my mind is I'm leaving
Right now my head feels like I'm sat on the ceiling
And we'll be kicking and screaming
I mean it, I mean it, I mean it
(I mean it)
I mean it, I mean it, I mean it
(I mean it)
I mean it, I mean it, I mean it
(We mean it)
I mean it, I mean it
