Some years of longer days ago  
The ways we knew rose and fell below  
The Change

But years ago was not the end  
Of kings and things who must defend  
Pretending

Well the change is back and feeling strong.  
And we all know it won't be long  
Too long

So think of all we lost and found  
Does everything go round and round  
The change?

Mu Ya Shiva  
Mu Ya Shiva  
Mu Ya Shiva  
Mu Ya Shiva

So think of all we lost and found  
Does everything go round and round?

So think of all we lost and found  
Does everything go round and round?

So think of all we lost and found  
Does everything go round and round  
The Change?

We all feel the change  
Yes, we all feel the change  
Yes, we all feel the change  
Yes, we all feel the change  
Yes, we all feel the change  
Yes, we all feel the change
