I'm stuck in your head  
I'm back from the dead  
Got you running scared  
I'm fearless

I'm calling you out  
I'm taking you down  
Don't you come around  
I'm fearless

I got the upper hand now  
And you losing ground  
You never had to fight back  
Never lost a round

You see the gloves  
Are coming off  
Tell me when you've had enough  
Yeah

Ready for a showdown  
And we're face to face  
I think I'll rearrange  
It put you into place  
You don't get the best of me  
Check it you're afraid of me

I'm stuck in you're head  
I'm back back from the dead  
Got you running scared  
I'm fearless

I'm calling you out  
I'm taking you down  
But don't you come around  
I'm fearless  
I'm fearless  
I'm fearless

You used to make my heart pound  
Just the thought of you  
But now you're in the background  
Watcha gonna do?

Sound off if you hear this  
We're feeling fearless

We're feeling fearless

I'm stuck in your head  
I'm back back from the dead  
Got you running scared  
I'm fearless

I'm calling you out  
I'm taking you down  
But don't you come around  
I'm fearless

I'm stuck in your head  
I'm back back from the dead  
(I'm fearless)  
Got you running scared  
I'm fearless

I'm calling you out  
I'm taking you down  
But don't you come around  
I'm fearless  
I'm fearless
