I can feel you comin' from a mile away  
My pulse stops racing from the words that you say  
And you say so many of them like you don't have a clue  
That I'm signed, sealed delivered with a stamp on

You don't have to try too hard  
You already have my heart  
You don't got a thing to prove  
I'm already into you  
So

Hold, Hold, Hold, hold me tight now  
Cause I'm so, so good to go  
Don't say Don't say good night you know  
You had me @ hello [X3]  
Don't say Don't say good night you know  
You had me @ hello

Close your mouth now baby don't say a word  
Cause you ain't saying nothing  
I ain't already heard  
Plus all them words get buried when the beats so loud  
And the speakers blowin' up to this dance song

You don't have to try too hard  
You already have my heart  
You don't got a thing to prove  
I'm already into you  
So

Hold, hold, hold, hold me tight now  
Cause I'm so, so good to go  
Don't say Don't say good night you know  
You had me @ hello [X3]  
Don't say Don't say good night you know  
You had me @ hello

Oooooh Oooooh ooh ooh [X5]

You don't have to try too hard

You already have my heart

You don't got a thing to prove

I'm already into you

So

Hold, hold, hold, hold me tight now

I'm so, so good to go

Don't say Don't say good night you know

You had me @ hello [X3]

Don't say Don't say good night you know

You had me @ hello
