(Verse 1)
Can't remember why,
What I did tonight
I drank a bottle or two
Maybe three, shoulda knew
Somethin' was quite right
And I lost track of time
I've never felt so outta line
Bubbles blowin' my mind

(Pre-Chorus)
Veuve Clicquot, Perrier
Pommery, Mumm, Moet
Feel like I'm goin' insane
You're going straight to my brain

Roederer, Taittinger
Krug, Lanson, Pol Roger
The way I feel, I can't explain
You hit me like a fine Champagne

(Chorus x 2)
Feel like I'm going insane,
The way you shot right to my br-eh-eh-ain
Champa-eh-eh-eh-gne
It's something I can't explain
You make me wanna misbeh-eh-eh-ave
Champa-eh-eh-eh-gne

(Verse 2)
Almost the end of the night
And the moment is right
You looked me dead in the eye
And I'm flyin' so high
I don't wanna come down
Feet so high above the ground
Broken bottles on the floor
We keep on rockin', gimme more

(Pre-Chorus)
Veuve Clicquot, Perrier
Pommery, Mumm, Moet

Feel like I'm goin' insane
You're going straight to my brain

Roederer, Taittinger
Krug, Lanson, Pol Roger
The way I feel, I can't explain
You hit me like a fine Champagne

(Chorus x 2)
Feel like I'm going insane,
The way you shot right to my br-eh-eh-ain
Champa-eh-eh-eh-gne
It's something I can't explain
You make me wanna misbeh-eh-eh-ave
Champa-eh-eh-eh-gne

(Rap)
I'll fill your glass up to the top
It's overflowin', we can't stop – now
Champagne kisses, we can swap
our glasses, dancin' table tops
Whatever you may want I got – on ice
Cuvee Prestige you ought-a
C'mon head back to my spot – and
Shake my bottle, make it "POP"

(Chorus x 3)
Feel like I'm going insane,
The way you shot right to my br-eh-eh-ain
Champa-eh-eh-eh-gne
It's something I can't explain
You make me wanna misbeh-eh-eh-ave
Champa-eh-eh-eh-gne
