

One Two "Without You"

I can read your fucking mind
going dark from time to time
see the writing on the wall
can't be saved we knew it after all

how's my heart supposed to beat?
how's my heart supposed to beat?
how's my heart supposed to beat
without you?

summer rain was pouring down
we forgot the world around
staying up to count the stars
and we believed, we believed the world was ours

how's my heart supposed to beat?
how's my heart supposed to beat?
how's my heart supposed to beat
without you?

how's my heart supposed to beat?
how am i gonna make it through?
how's my heart supposed to beat without you?

ooh ooh ooh ooh
Ñ...Ñf-Ñ...Ñf-Ñ...Ñf
Ñ...Ñf-Ñ...Ñf-Ñ...Ñf

i can read your fucking mind

how's my heart supposed to beat?
how's my heart supposed to beat?
how's my heart supposed to beat without you?

Ñ...Ñf-Ñ...Ñf-Ñ...Ñf
Ñ...Ñf-Ñ...Ñf-Ñ...Ñf
